

SERVICE UPDATE

Thank you for your patience and understanding as we manage through COVID-related staffing issues. We are striving to offer you the best experience in our branches while putting health and safety first!

Check Our Website for Updates

You may find temporary availability changes or longer-than-normal wait times in some of our branches during the next few weeks.

Temporary changes may include drive-up only service or branch closures. We are working to limit any disruption. If we make service changes at your local branch, those will be listed on our website.

Please know that we are committed to maintaining all services whenever possible.

For the latest updates, visit our [Changes to Branch Availability](#) page.

24/7 Banking

As a reminder, our ATMs and online and mobile services are available anytime, 24/7. If you prefer in-person service, make sure to check our website before traveling to a branch.

Please note that all of our offices will be closed as planned this Monday, January 17, in observance of Martin Luther King Jr. Day.

Again, thank you for your patience as this situation continues to evolve. We appreciate your trust and partnership.
